OBJECTIVE / SUMMARY

Aspiring Software Developer with hands-on internship experience in Java, Spring Boot, and full-stack web development. Skilled in building responsive and scalable web applications with clean, maintainable code. Passionate about problem-solving and continuously learning to deliver user-centric solutions. Seeking a Java Developer role to contribute to real-world software projects.

EDUCATION

Integral University

B.Tech in Computer Science and Engineering, CGPA: 7.5/10.0

Lucknow, IN

08/2022 – 05/2026

INTERNSHIP

Softpro India Computer Technologies Pvt. Ltd.

Jan 2025 – Jul 2025

Software Development Intern

Onsite

- Worked on front-end and back-end web development using HTML, CSS, JavaScript, Java, and MySQL.
- Deployed real-world web applications following industry best practices and Git version control workflows.
- Collaborated with the development team to deliver responsive, production-ready web solutions.

CodSoft

Jun 2024 – Jul 2024

Java Programming Intern

Virtual

- Completed a 4-week virtual Java internship program with outstanding remarks (Certificate ID: 861246a).
- Built mini-projects including Student Grade Calculator, ATM Interface, and Number Guessing Game.
- Strengthened core Java programming and OOP skills through structured, project-based learning.

PROJECTS

Testiva – Test Portal Web Application [Live](#) | [GitHub](#)

- Developed a full-featured Test Portal with Admin and Student roles using Java and Spring Boot.
- Admins can schedule tests, manage users, and send automated WhatsApp reminders via WhatsApp API.
- Built modular Spring Boot backend with RESTful architecture and a responsive Bootstrap-based frontend UI.
- Deployed on Render for live access; integrated WhatsApp API for real-time automated notifications.

TECHNICAL SKILLS

Languages: Java, SQL, JavaScript

Backend: Spring Boot, Spring MVC, REST APIs

Frontend: HTML5, CSS3, JavaScript, Bootstrap

Databases: MySQL, PostgreSQL

Tools: Git, GitHub, Docker, WhatsApp API

Concepts: OOP, MVC Architecture, SDLC, Agile Basics

CERTIFICATIONS

Code Club – Certificate of Appreciation

Jul 2025

Integral University, Dept. of Computer Science and Engineering

- Recognized for contributions and collaboration as an active member of the university Code Club (Cert. No: IU/CSE/AMC/2025/JULY//002037).

Java Programming – Certificate of Completion

Jul 2024

CodSoft Virtual Internship Program

- Successfully completed 4-week Java programming internship with outstanding performance (C.ID: 861246a).
